

SULFURE TRIOXYDE RELEASE CLAIM!

The Court has approved the **settlement agreement** in the class action between Canadian Electrolytic Zinc Ltd. and the class representative Jean-Luc Génier (file number 500-06-000489-092).

If you were affected by the sulphur trioxide release that occurred on August 9, 2004 in Salaberry-de-Valleyfield, you could receive compensation.

WHO IS ELIGIBLE TO CLAIM MONEY AND HOW MUCH?

You can receive a compensation if you enter one of those three categories:

Category A : a maximum of **\$1,000** for each person who was **hospitalized or consulted a physician** in connection with the sulphur trioxide release of August 9, 2004, within 7 days of the event (that is between August 9 and August 16, 2004)

Category B : a maximum of **\$200** for each person who had an **asthma attack** on the evening of August 9, 2004

Category C : a maximum of **\$100** for each person who was in the [Salaberry-de-Valleyfield, Saint-Timothée, Melocheville or Pointe-des-Cascades areas \(as defined in the judgment authorizing the class action\)](#) on the evening of August 9, 2004 and who suffered symptoms other than an asthma attack
